General Comments:	<p>Miss Mann planned and implemented age/content appropriate lessons in Social Studies, Math, Language Arts and Science. We collaborated on selecting relevant lessons, some of which were taken from BPS Curriculum. These lessons were tied to the 4th grade standards and used a variety of instructional strategies. Students were engaged in whole group, small group and individual tasks. She incorporated technology, hands-on, written and oral components. The students were eager to learn from Miss Mann. Miss Mann became more comfortable with classroom management throughout the week.</p> <p>During her full week of practicum, Miss Mann developed great rapport with the school community at Lincoln Elementary School. She joined students for lunch, specialists and even recess. She was able to be part of our PLC (Professional Learning Community) and group planning. Miss Mann continued to become more comfortable in the facilitator role in our classroom.</p> <p>She is doing a wonderful job!</p>
